“Join us for a Grand Holiday Celebration”

The San Clemente Downtown Business Association is hosting its annual holiday event:

PUTTIN’ ON THE GLITZ!

5 – 9 p.m. in downtown San Clemente along Avenida Del Mar

Our independently owned small businesses are proud to present a shopping, dining and entertainment extravaganza! **Puttin’ on the Glitz**, San Clemente’s downtown street fair highlighting the beginning of the holiday season. Over 10,000 people attend to enjoy our beautifully decorated **historic downtown** which is free from traffic during this four-hour event. This year the Glitz is scheduled for **Saturday, November 26th from 5 to 9 p.m.** Since the **street will be closed from 3:00 p.m. to 10:00 p.m.** free parking will be available at San Clemente High School located off of Avenida Pico where two free shuttles buses will run continuously from 4:30 to 9:30 p.m. to transport visitors to and from the top of Avenida Del Mar. Free parking will remain available in the City-owned parking lots located on Avenida Cabrillo and Avenida Granada.

Starting at 5:00 p.m. Santa will travel by fire truck down Avenida Del Mar and arrive for family photos at the Community Center (100 Avenida Seville). Free family entertainment along Avenida Del Mar will include a “polar express” train exhibit, train and horse carriage rides, a bounce house, face painters, a caricature artist, holiday balloons, musical entertainment by the Close Harmony Jazz Band, the Occasional Strings Band, the L.A. Scots Bag Pipe Band, the Sweet Adelines Quartet, the San Clemente Choral Society, the Dickens Carolers from Capistrano Valley Christian School and the San Clemente High School Madrigals. Additionally, holiday treats and snacks will be available for purchase. Our restaurants and retail establishments will remain open for your enjoyment and shopping convenience; any gifts purchased will be wrapped free of charge courtesy of the Downtown Business Association at our booth located on Ola Vista.

This community event is brought to you by our independently owned small businesses in cooperation with the City of San Clemente and donor support from Southern California Edison.
